

About The Freshly Delivered Meal Program

During these uncertain times Freshly Delivered has launched an affordable homemade meal delivery program to continue serving our community and those in need. We are committed to providing affordable meals with quality, wholesome ingredients, fresh produce and low salt/preservatives to allow for minimum dietary restrictions. Your safety, and the safety of our staff is of utmost importance, which is why we will be delivering your meals to your door; we cannot come into your building or home. We thank you for your continued support and we love supporting you!
